Information circular*

To: Members of the staff

From: The Assistant Secretary-General for Human Resources Management

Subject: **Revised base salary scale for staff in the Professional and higher categories**

1. In section II.A of resolution 57/285 of 20 December 2002, the General Assembly approved, with effect from 1 January 2003, a revised base salary scale for staff in the Professional and higher categories. The scale reflects a differentiated real increase of the base/floor salary scale to address the low level of the margin at the upper grades of the salary scale. This increase will bring the grades P-4 to D-2 up to the margin level of 111 and the overall margin to 112.2. The grades P-1 to P-3 are already at 115 or above.

2. As a result of the implementation of the revised base salary scale, effective 1 January 2003, there will be consequential changes in the amounts of the mobility and hardship allowances applicable to staff who currently receive them.

3. The revised base salary scale for staff in the Professional and higher categories, effective 1 January 2003, showing gross salaries and their net equivalents after application of staff assessment, is reproduced in the annex to the present circular. The implementation of the scale will be reflected in the end-of-January 2003 payroll.

* The present circular, which cancels and supersedes ST/IC/2002/8 dated 5 March 2002, will be in effect until further notice.
